OSH Factory - Special Edition (3 Nov 2026)

PROGRAMME

On the occasion of **World One Health Day**, the One Sustainable Health (OSH) Forum, led by the One Sustainable Health Foundation under the auspices of the Institut Pasteur, is organising the third edition of the OSH Factory on 3 November 2026, at the International Agency for Research on Cancer (IARC) in Lyon.

An international hybrid event, the OSH Factory is a **collaborative space** dedicated to developing and accelerating transdisciplinary, multi-stakeholder projects based on the One Sustainable Health approach.

This third edition focuses on **territorial habitability**. Climate change, water, biodiversity, soil, pollution, health and inequalities are interconnected challenges that reinforce one another. Beyond recognising the links between human, animal and environmental health, we must address the conditions shaping our shared future through preventive and adaptive solutions.

8:30 – 9:00 AM **Welcome Coffee**

9:00 - 9:05 AM **Welcome address by Clément CHAUVET**, Head of Strategic Engagement and External Relations at the International Agency for Research on Cancer (IARC)

9:05 - 9:10AM **Address by Eléonore CAROIT,** Minister Delegate to the Minister for Europe and Foreign Affairs, responsible for Francophonie, International Partnerships and French Nationals Abroad.
